

April 22, 2007

These are your final assignments.

### **1. Poster**

Your should have a poster ready before class on May 1, as that will be our “Poster Session” day. As a reminder, the size limit is 26 by 36, and recommended fonts range from 18 to 40 point. Be sure to have it done at least the day before, as it takes a while to print out.

### **2. Final Proposal**

Your final proposal is due Monday, May 6. The outline is as follows:

1. Title
2. Abstract (1 pg or less)
3. Introduction – includes research questions
4. **Literature review**
5. **Proposed Methodology**
6. Expected results/significance
7. Time line and projected costs if applicable
8. Reference list
